

Ferry Point Reach

Riparian Restoration Program

2013 Landowner Application Form

Landowner Contact Information

NAME	
MAILING ADDRESS (INCL. POSTAL CODE)	
PHONE NUMBER(S)	
EMAIL(S)	
FAX	

Project Location

LEGAL LAND LOCATION(S)	
------------------------	--

Describe the project / what you would like to do. Attach a sketch or photos / air photos if possible. What is the management change you are implementing? How is this different than how you are managing this land currently? How does this fit into your overall farm/ranch/land plan? How will this benefit your operation?

--

How will this project conserve or improve or maintain the Battle River (or tributaries), its riverbanks and floodplains, surrounding upland habitat, and/or riparian area health?

Project Impacts: Please complete as appropriate for your project

Length of water body affected by project	
# and type of livestock affected by project	
# of acres of land or native range area (including treed) affected	
Current land use (crop, hay, pasture etc.)	

Ongoing Project Stewardship: What are your current ideas for managing and maintaining the project area after it is completed?

Project Budget

Please describe and estimate the project costs in the table below. Add a separate page if required. Remember the following funding levels for the Riparian Program:

- a) The maximum funding provided to **any single project**, by the FRRP, will be \$5,000.
- b) A project involving fencing can be funded by the FRRP to a maximum of \$1,800 per half mile of fence for materials. This increases to \$2,500 per half mile of fence for materials, for livestock with “special fencing needs” such as sheep, elk or bison. Other expenses are also eligible, as per the program’s other funding rules below.
- c) Landowners are **able to apply for funding for more than one project** (ie. If the project idea would result in expenses of over \$5,000 the landowner is advised to break it into several individual parts). If a landowner has several \$5000 projects, all ideas will be considered however we cannot guarantee that multiple projects will be approved.

	Estimated Cost (cash)	Estimated cost (in-kind)
Project Materials	\$	\$
Project Labour. Contractor fees are eligible expenses; your time is included as in-kind. (In-kind personal time rated at \$60/hour.)		
Project Equipment (personal equipment is included as in-kind, contracted or rented equipment is an eligible expense)		
Other Costs		
TOTALS		

Landowner Requirements and Considerations

Please review the following carefully, and initial every item you agree to. Note that items 1 through 10 are required for funding support; items 11 through 13 are optional.

As the landowner (or the renter/lessee, with landowner approval) for the proposed project, if the project is approved for funding from BRWA Riparian Restoration Program, I will:

REQUIRED ITEMS	Initial
1. Acquire and maintain all required permits, approvals, permissions, etc. for this project	
2. Be responsible for all up-front costs associated with this project. I understand BRWA will reimburse me for those project costs which are deemed eligible project expenses, once a funding agreement is in place.	
3. Be responsible for constructing the project such that meets its intended purpose and ensure it is maintained for the length of time as determined in the agreement.	
4. Be responsible for costs associated with all ongoing project maintenance.	
5. Provide reasonable, periodic access to BRWA staff, for a Riparian or Range Health Assessment or Inventory or other ecological assessments of the project area (this will include photographing the project site)	
6. In consultation with BRWA, develop and follow a stewardship plan for the project area, that all parties involved with the project agree with and support	
7. Complete the project within 12 months of the date of project approval	
8. Send in receipts for the project within 12 months of the date of project approval	
9. Not hold BRWA, project partners or funders liable for project failures do to unforeseen circumstances.	
OPTIONAL ITEMS	
10. Provide the BRWA with a written testimonial of project	
11. <u>Consider</u> requests by BRWA staff and/or project partners to write and publish printed articles / brochures, etc., or give public presentations about the project, on a case-by-case basis	
12. <u>Allow</u> BRWA staff and/or project partners to write and publish printed articles / brochures , etc., or give public presentations about the project, unconditionally	
13. Consider requests by BRWA staff and/or project partners to include the project in future tours / field days / demonstrations / etc., on a case-by-case basis	

I have reviewed this application, and submit it for consideration for funding support from BRWA Riparian Program.
